TECHNICAL SKILLS

HTML5 (1yr)	CSS3 (1yr)	jQuery (1yr)	Bootstrap (1yr)
Javascript (1yr)	Github (1yr)	Responsive Design	Japanese

EXPERIENCE

Technical Intern, Collective Digital Studio (Oct. 2015 - Present)
Help production team with quality assurance, test for bugs on user interface, and check that responsive design works properly.

Nursing Assistant, Seton Medical Center (Jun. 2014 - Oct. 2015)
I was a liaison between healthcare workers, family, and patients for better patient care. Provided medical and emotional support to patients and their families while facilitating tasks assigned to me by medical staff.

Home Health Aide, In-Home Care (Oct. 2013 - Sep. 2014)
I would assist the families with caring for sick or elderly patients. Organize care such as physical therapy and daily rituals.

Workgroup Member, Know the Signs Campaign (Jul. 2013 - Jun. 2014)
Through online conference calls with development team, create suicide awareness digital ads catered toward Asian Pacific Island youth in the U.S.

VOLUNTEER

Crisis Line Volunteer, Suicide Prevention of Yolo County (Feb. 2012 - Nov. 2014)
Exercise strong communication skills to counsel distressed clients suffering from mental illness or stress. Trained 2 new volunteers in crisis intervention techniques.

Research Assistant, Self & Social Identity Lab (Aug. 2012 - Apr. 2013)
Aid researchers in the development of study designs. Run experiments on UC Davis participants, and discuss findings at staff meetings.

Research Assistant, Rattlesnake Behavior Lab (Dec. 2011 - May 2012)
Proficient use of excel to meticulously organize behavior of rattlesnake in response to ground squirrel tail-flagging (an anti-predator display) through field-based experiments.

EDUCATION
